

Alexandria Gazette

FRIDAY EVENING, DECEMBER 30.

LOCAL NEWS.

For this section warmer, fair weather, followed Saturday by threatening weather with snow or rain, light to fresh easterly winds increasing in force.

COUNCIL CAUCUS.—Last night a caucus of sixteen members of the City Council was held to make a nomination for Mayor, but after being in session for about an hour the caucus, without making a nomination, adjourned sine die. The meeting was held under the following call:

We, the undersigned, members of the Board of Aldermen and Common Council, hereby agree to meet in caucus in the committee room, city hall building, Thursday, December 29th, at 7:30 p. m., for the purpose of making a nomination to fill the vacancy occasioned by the death of our late Mayor, the Hon. John S. Moore.

Mr. J. T. Sweeney presided and Mr. Hubert Snowdon acted as secretary.

The party lines were not closely drawn, one member, Mr. Agnew, stating that he had signed the call with the express understanding that all the members should be asked to attend the meeting and that if they did not do so it would rest with them.

In the previous caucus held by the democrats neither Messrs. Agnew, Whiting or Hinken attended, but last night they were present and took part.

Before going into a nomination a resolution offered by Mr. Fisher, pledging all present to abide by the action of the caucus was unanimously adopted.

Capt. Bryant then offered a resolution deeming it inexpedient for the members of the City Council to elect one of their own body to the position of Mayor. He said several members had been requested to become candidates and he thought it would be best to select a man who was not a member.

This action would do away with the necessity of holding a special election in case a member was chosen Mayor.

After some debate the resolution was defeated by a tie vote—Ayes, Messrs. Burke, Bryant, Leadbeater, Grounau, Smoot, Hinken, Snowdon and Sweeney—8; Noes, Messrs. Moore, Strider, Fisher, Whiting, Aitchison, Corbett, Marbury and Agnew—8.

Messrs. E. D. Downham and Henry Straus were then placed in nomination and four ballots taken, each resulting in a tie, 8 to 8—presumably the same vote as that taken on Alderman Bryant's resolution.

It appearing that a choice could not be determined upon the caucus adjourned sine die.

An analysis of the vote shows that of the members who have heretofore gone into the democratic caucus Mr. Downham received the votes of Messrs. Burke, Bryant, Leadbeater, Smoot, Sweeney, Snowdon and Grounau; and

Mr. Straus those of Messrs. Marbury, Moore, Fisher, Aitchison, Corbett and Strider, while of the three present last night who had not heretofore taken part in the democratic caucus, Mr. Straus received the votes of Messrs. Agnew and Whiting and Mr. Downham that of Mr. Hinken.

IMPORTANT RAILROAD OFFICIAL CHANGES.—Mr. W. E. Turner, treasurer of the Richmond and Danville Railway Company, has resigned and Mr. I. G. Hall, the assistant treasurer has been promoted to the position of treasurer.

The office of comptroller of the company, which for a long time past, has been filled by Mr. E. A. Barbour, of Richmond, has been abolished and Mr. E. C. Crump appointed auditor instead.

Mr. H. H. Marshall has resigned the position of general counsel of the company, and Col. Worthington, who some time since held the position, has been reinstated.

These changes, as intimated by the Gazette a few days since, don't look like the general offices of the company would be removed from Washington to Richmond, as the Richmond influence is now out of the directory of the company.

PERSONAL.—The betrothal is announced of Miss Ida E. Brager and E. Goldsmith, of this city.

Mr. E. J. Miller is confined to his home by sickness.

Mrs. Margaret Kinzer fell from a chair on which she was standing at her home on upper Prince street, yesterday, and was considerably bruised.

Mr. G. C. Branch, who for some time past has held a position in the General Superintendent's office of the Virginia Midland railway, to-day resigned and will soon go to Mr. Morris, N. Y., to engage in the real estate business.

FIRE.—The alarm of fire about 8:30 o'clock last night and which brought out the fire department was caused by the partial burning of the roof of a frame house on Gibson street, near Fairfax, occupied by colored people. The fire caught from a defective flue but the flames were extinguished by the neighbors before much damage had been done.

THE RIVER.—The low temperature of yesterday continued all night and the river by this morning was frozen from shore to shore. The passing steamers, however, soon opened the channel and navigation, so far as steamboats are concerned, is uninterrupted, though sailing vessels can not get about without the assistance of tugs.

THE CONCHO.—The steamer Concho, sunk a week ago in the Southern Branch, below Norfolk, while on her way to this city, is still on the bottom, the first attempt at raising her having failed. It is understood that the Baker Salvage Company has made a contract to get her up.

COUNTY COURT.—Judge James Chichester, Com. vs. Pascal Carter et al.; jury and verdict imposing a fine of \$5 upon each.

Fraser vs. Hagenbaugh; jury failed to agree and were discharged.

Court adjourned till Court in course.

MEMORIAL MEETING.—The citizens will hold a meeting at the Opera House to night to take suitable action in regard to the death of the late Mayor Smoot. Addresses will be made by a number of gentlemen and suitable resolutions adopted.

FOR A USEFUL PRESENT a nice clock for your wife or child would be very acceptable, and no one keeps a better stock at more reasonable prices than our former townsmen, CHAS. BAUM, of 416 Seventh street, Washington, who has an immense establishment and at present is making a grand display of Holiday Goods. Pay him a visit.

The trips of the 6 o'clock a. m. ferry boat from this city and the 6:30 boat from Washington will be discontinued for the winter after Monday next.

Richard A. Arnold, ex Lieutenant of Police of Washington, has been appointed a member of the watch at the State, War and Navy building.

MONETARY AND COMMERCIAL.

Business during the week, as is usual during the holidays, has been languid in all branches. Money matters are very quiet. U. S. bonds are a shade lower. Virginia securities are dull. Past-due coupons, fundable at 50 per cent., sold at 32½, closing at 32½-33. The non fundable issues are 27½-28½. Railroad bonds and stocks are dull and quotations nominal.

NEW YORK, Dec. 20.—The opening of the stock market was rather heavy this morning, declines ranging up to 2 per cent., though one or two were higher and many unchanged. The market exhibited the same characteristics which have marked it during the entire week, being extremely dull, with the great bulk of the business in a half dozen stocks and fluctuations confined to the narrow limits. There was a drooping tendency in the early trade. The declines, however, were in no case for more than ¾ per cent., and a partial recovery took place later in the hour. At 11 o'clock the market was quiet but firm at slight changes only from opening figures. Money 4½.

BALTIMORE, Dec. 30.—Virginia Gs consolidated 40; past-due coupons 65; 10-40-36; new 3s 65 bid to-day.
